Lifejacket rules are in effect

Regulations, affecting public pools, have been put into place by the Ontario Ministry of Health and Long-Term Care.

Wild Waterworks must follow the regulation.

Wild Waterworks requires anyone 10 years of age, and under, to wear a government approved lifejacket/PFD in the Wave Pool and the Eazy River.

Wild Waterworks will have lifejackets/PFDs available on a first-come, first-served basis, free of charge, for guests' use. They are on racks, located near the Wave Pool and Eazy River. Staff are available to assist with sizing and answer questions.

Wild Waterworks welcomes guests to bring their own government approved lifejacket/PFD for use in the Wave Pool and Eazy River.

Lifejackets/PFDs must be approved by: Transport Canada, Oceans and Fisheries Canada, Canadian Coast Guard and USA Coast Guard Type 1, 2 or III.

For supervision of those 10 years of age and under, the guardian or designated person, 16 years of age or older, must be within arm's reach, at all times, while in the water, and the following ratios must be adhered to:

Children under age 6: Two children with a lifejacket/PFD to one guardian (2:1) 16 years of age or older.
